• VINTAGE •

The 2013 vintage of Red wine varietals experienced some outstanding growing conditions this harvest yielding generous amounts of high quality fruit. Moderate weather throughout the growing season has put little pressure on the vines and provided grapes with well-balanced chemistries. Our Red wine blend displays ripe fruit aromas and flavor, richness and balanced acidity.

• WINEMAKING •

The wine reflects an artist's palette of various varietals that each contributes a unique flavor component to the finished blend. Petite Sirah grapes were used for a bold luscious flavor.
